Comments:	<p>This form is intended to be used in both ch. 48 and ch. 938 matters.</p> <p>RMC recommends that the petition be attached to the summons even though sections 48.27(3)(a) and 938.27(3)(a), Wisconsin Statutes, provide that "[t]he first notice to any interested party shall be written and may have a copy of the petition attached to it." For that reason the summons has been drafted with the assumption that the petition will always be attached.</p> <p>If this is the first notice in a proceeding involving a child/juvenile subject to the Indian Child Welfare Act, the petitioner must provide notice to the parent/Indian custodian and the tribe by registered mail with return receipt requested. If the identity or location of the tribe cannot be determined, notice must be sent by registered mail with return receipt requested to the Secretary of the Interior, Bureau of Indian Affairs.</p>
About this form:	<p>This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.</p> <p>If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.</p>
